

AGREEMENT FOR SERVICES

THIS AGREEMENT is entered into between Washoe County, a political subdivision of the State of Nevada (“County”) and Housing Authority of the City of Reno, (“Contractor”), collectively (the “Parties”).

WITNESSETH:

WHEREAS, County desires to engage Contractor to render certain consulting services in Support of the “Tenancy Support, Shallow Subsidy Background Checks” (the “Project”); and

WHEREAS, County requires certain professional services in connection with the Project, as described in Exhibit “A” Scope of Work (the “Services”); and

WHEREAS, County followed the requirements for the lawful procurement of goods and services in accordance with established policies, regulations, codes and/or statutes in force at the time of the original Agreement execution; and

WHEREAS, County obtained a single quote; and

WHEREAS, Contractor represents that it is duly qualified, ready, willing and able to provide the Services by virtue of its education, training and experience; and

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree as follows:

ARTICLE 1 - EFFECTIVE DATE

The effective date of this Agreement shall be January 15, 2025 through September 30, 2026.

CONTRACTOR shall begin performance of services as provided herein upon notice to proceed and shall complete all Services identified in Exhibit A, Scope of Work in accordance with the Standard of Care as set forth in Article 5 herein no later than, unless this Agreement is terminated sooner in accordance with its terms.

ARTICLE 2 - SERVICES TO BE PERFORMED BY CONTRACTOR

Contractor agrees to perform and complete all Services identified in Exhibit A Scope of Work under this Agreement, and any amendment thereto in accordance with the Standard of Care as set forth in Article 5 herein. Contractor shall be responsible for the quality, technical accuracy, completeness and coordination of all reports, information, specifications and other items and services furnished under this Agreement and any amendments hereto. County reserves the right to inspect, comment on, and request revision of, all Services identified in Exhibit A and any amendments thereto performed by Contractor prior to acceptance, and Contractor warrants that such Services shall be fit and sufficient for the purposes expressed in, or reasonably inferred from, this Agreement and any amendments hereto. Contractor must perform the Services in accordance with Exhibit C, Federal Contract Clauses.

Failure to provide major deliverables, including, but not limited to, Services identified in Exhibit A, Scope of Work, and/or Exhibit C, Federal Contract Clauses, shall constitute a material breach of this Agreement, unless waived in writing by the County.

ARTICLE 3 - COMPENSATION

3.1 Compensation for Services

For Services defined in Section 1 above, Contractor's compensation shall be determined on a time and material basis, in accordance with the Fee Schedule described in Exhibit A, which is attached hereto and incorporated by reference as part of the Agreement and shall not exceed the sum of \$4,375 (FOUR THOUSAND THREE HUNDRED SEVENTY-FIVE DOLLARS). Contractor shall satisfy its obligations hereunder without additional cost or expense to County during the term of this Agreement other than the heretofore stated compensation and the fee schedule described in Exhibit A. The actual costs charged for the work by Contractor in accordance with this provision shall be full compensation to Contractor for all Services and duties required by the Scope of Work, including, but not limited to: costs of supplies, facilities and equipment; costs of labor and services of employees, contractors and sub-contractors engaged by Contractor; travel expenses, telephone charges, typing, duplicating, costs of insurance, and all items of general overhead. Contractor shall submit billings on a monthly basis.

3.2 Compensation for Additional Services

If County requests Contractor to perform additional services, other than those required to be performed under Services identified in Exhibit A, Scope of Work, the cost of such additional services shall be determined prior to commencing additional work. All additional services and amount of payment must be authorized in writing by County prior to commencing any work for such services.

3.3 Methods and Times of Payment

Contractor shall submit to County monthly progress invoices indicating the number of screenings performed for the month. Payment to Contractor for work on the Project shall be made within thirty (30) days after receipt and approval of Contractor's invoice, said approval not to be unreasonably withheld. Payment by County of invoices or requests for payment shall not constitute acceptance by County of work performed on the Project by Contractor. No penalty shall be imposed upon the County for payment(s) received by Contractor after thirty days.

3.4 Dispute of Work

County shall notify Contractor in writing within thirty (30) days of receipt of the work, or portion of work, which is not approved. For work, or portions of the work, which are unapproved, the County and Contractor shall develop a mutually acceptable method to resolve the dispute within thirty (30) days of receipt by the Contractor of notice from the County. If the County and Contractor cannot reasonably agree to remedy the dispute of unapproved work within the thirty-day period, the work shall be terminated or suspended per Article 12.

ARTICLE 4 - TIME SCHEDULE FOR COMPLETION

The Services identified in Exhibit A, Scope of Work on the Project shall be diligently performed and be completed no later than September 30, 2026. Contractor shall be granted time extensions for items within the phases of the Project in writing by County if the time schedules cannot be met because of delays beyond Contractor's reasonable control, including, but not limited to, County's failure to furnish information, or to approve or disapprove Contractor's work promptly.

ARTICLE 5 – FORCE MAJEURE

Neither party shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Agreement after the intervening cause ceases.

ARTICLE 6 - OPINIONS OF COST AND SCHEDULE

Since Contractor has no control over the cost of labor, materials, equipment or services furnished by others, including over any other contractors', subcontractors', or vendors' methods of determining prices, or over competitive bidding or market conditions, Contractor's cost estimates shall be made on the basis of qualification and experience.

Since Contractor has no control over the resources provided by others to meet contract schedules, Contractor's forecast schedules for completion of Services shall be established based on generally acceptable schedules for and performance standards of similarly situated professionals qualified and experienced to perform the Services. Contractor cannot and does not guarantee that proposals, bids or actual project costs will not vary from its cost estimates or that actual schedules will not vary from its forecast schedules.

ARTICLE 7 - INDEPENDENT CONTRACTOR

Contractor is performing the services and duties required under this Agreement as an independent Contractor and not as an employee, agent, or partner of the County.

1. Contractor undertakes performance of the Services as an independent contractor and shall be wholly responsible for the methods of performance.

2. Contractor may retain employees or other personnel to perform the services required by this Agreement. Such employees or other personnel will be the obligation of the Contractor. Contractor's employees or other personnel are not County employees.

3. Unless otherwise provided in Exhibit A, Contractor is responsible for all expenses without reimbursement.

4. Neither Contractor nor any personnel are employees of County and waive any and all claims to benefits otherwise provided to employees of the County, including, but not limited to, health insurance, Nevada Public Employees Retirement System (PERS) or other retirement benefits, unemployment benefits, and liability and worker's compensation insurance.

5. Contractor represents and warrants that if Contractor, or any employee of Contractor who will be performing services under this Agreement, is a current employee of the County or was employed by the County within the preceding 24 months, Contractor has disclosed the identity of such persons, and the services that each such person will perform.

6. County and Contractor agree that this Agreement does not constitute an exclusive relationship. Nothing in this Agreement shall be construed as a limitation upon the right of the Contractor to engage in any other consulting agreement, service contract, business venture or other activity.

ARTICLE 8 - PERMITS AND LICENSES

Contractor shall maintain active and in good standing all necessary permits, certificates, and licenses necessary to allow Contractor to perform the Services. Contractor shall not be responsible for procuring permits, certificates, and licenses required for any construction unless such responsibilities are specifically assigned to Contractor in Exhibit A, Scope of Work.

ARTICLE 9 - COUNTY'S RESPONSIBILITY

County shall provide any information authorized by law in its possession that is requested by Contractor and is necessary to complete the Project.

ARTICLE 10 – PUBLIC RECORDS

Public Records. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The County has a legal obligation to disclose such information unless a particular record is made confidential by law. Contractor may label specific parts of an individual document as “trade secret” or “confidential” in accordance with NRS, provided that Contractor thereby agrees to indemnify and defend the County for honoring such a designation. The failure to so label any document that is released by the County shall constitute a complete waiver of any and all claims for damages caused by any release of records.

ARTICLE 11 – INSPECTION AND AUDIT

11.1 Books and Records.

Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the County, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

11.2 Inspection and Audit.

Contractor agrees that the relevant books, records, including, without limitation, relevant accounting procedures and practices of contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of contractor for such records may be found with or without notice by the County or its representatives. With regard to any federal funding, any relevant federal agency or any of their authorized representatives may inspect or audit as set forth in this Agreement. All subcontracts shall reflect requirements of this section.

11.3 Period of Retention.

All books, records, reports, and statements relevant to this Agreement must be retained a minimum of 3 years, and for 5 years if any federal funds are used pursuant to this Agreement. The retention period runs from the date of payment for the relevant goods or services by the County, or from the date of termination of this Agreement, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

ARTICLE 12 - TERMINATION OR EXTENSION OF CONTRACT

12.1 Termination Without Cause. This Agreement may be terminated for any reason by either party by giving the other party written notice of the intent to terminate. The notice must specify the date upon which the termination will be effective, which date may not be less than 15 calendar days from the date of service of the notice. Only services satisfactorily performed up to the date of receipt of notice shall be compensated by County and such compensation shall be pursuant to the terms of this Agreement. If this agreement is unilaterally terminated by the County, Contractor shall use its best efforts to minimize the cost to the County and Contractor will not be paid for any cost that Contractor could have avoided.

12.2 Termination by Non-appropriation. The County may terminate its participation in this Agreement effective immediately by providing written notice if for any reason the County's funding source is not appropriated or is withdrawn, limited, or impaired. The County will make reasonable efforts to ensure payment for services rendered by the Contractor. The Contractor shall agree to hold the County free from any charges or penalties except for those already incurred through the date of notice of cancellation.

12.3 Termination with Cause for Breach. A breach may be declared with or without termination. A notice of breach and terminations shall specify the date of termination of the Agreement, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under the Agreement. This Agreement may be terminated by either party upon written notice of breach to the other party on the following grounds:

a. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Agreement within the time requirements specified in this Agreement or within any granted extension of those time requirements; or

b. If any state, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Agreement is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

c. If Contractor becomes insolvent, subject to receivership, or becomes in voluntarily or involuntarily subject to the jurisdiction of the Bankruptcy Court; or

d. If the County materially breaches any material duty under this Agreement and any such breach impairs the Contractor's ability to perform; or

e. It is found by the County that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the County with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such Agreement; or

f. If it is found by the County that Contractor has failed to disclose any material conflict of interest relative to the performance of this Agreement.

12.4 Time to Correct. Unless the breach is not curable, or unless circumstances do not permit an opportunity to cure, termination upon declared breach may be exercised only after service of formal written notice as specified in the notice section of this Agreement, and the subsequent failure of the breaching party within 15 calendar days of service of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared breach has been corrected. Upon a

notice of breach, the time to correct and the time for termination of the contract upon breach shall run concurrently, unless the notice expressly states otherwise.

12.5 Winding Up Affairs Upon Termination. In the event of termination of this Agreement for any reason, the parties agree that the provisions of this section survive termination:

a. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Agreement. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

b. Contractor shall satisfactorily complete work in progress at the agreed rate, or a pro rata basis if necessary, if so requested by County;

c. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by the County;

d. Contractor shall preserve, protect and promptly deliver into County possession all proprietary information

e. Notwithstanding the above, Contractor shall not be relieved of any liability to the County for damages sustained by the County by virtue of any breach of this Agreement by the Contractor, and the County may withhold any payments to the Contractor for the purposes of set-off until such time as the exact amount of damages due the County from the Contractor may be determined.

ARTICLE 13 - NONDISCLOSURE OF PROPRIETARY INFORMATION

Contractor shall consider all information provided by County to be proprietary unless such information is available from public sources, was known to Contractor prior to the execution of this Agreement, was received by Contractor from a third-party source not under any obligation of confidentiality to the County or is required by law or ordered to be disclosed in a regulatory or judicial proceeding. Contractor shall not publish or disclose proprietary information for any purpose other than the performance of the Services without the prior written authorization of County or in response to legal process or as required by the regulations of public entities.

County shall consider all information provided by Contractor to be proprietary unless such information is available from public sources, was known to County prior to the execution of this Agreement, was received by County from a third-party source not under any obligation of confidentiality to the Contractor or is required by law or ordered to be disclosed in a regulatory or judicial proceeding. ARTICLE 15 - UNCONTROLLABLE FORCES

Neither County nor Contractor shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to uncontrollable forces the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid and is not reasonably foreseeable at the time of entering into this Agreement. The term "uncontrollable forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the control of the non-performing party. It includes, but is not limited to, fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, inability to procure permits, licenses, or authorizations from any state, local, or federal agency or person for any of the supplies, materials, accesses, or services required to be provided by either County or Contractor under this Agreement, strikes, work slowdowns or other labor disturbances, and judicial restraint. Contractor shall be paid for services performed prior to the delay plus related costs incurred attributable to the delay.

Neither Party shall, however, be excused from performance if nonperformance is due to uncontrollable forces which are removable or remediable nor which the non-performing Party could have, with reasonable dispatch removed or remedied. The provisions of this Article shall not be interpreted or construed to require Contractor or County to prevent, settle, or otherwise avoid a strike, work slowdown, or other labor action. The non-performing Party shall upon being prevented or delayed from performance by an uncontrollable force, immediately give written notice to the other Party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

ARTICLE 17 - MISCELLANEOUS

17.1 Nonwaiver

A waiver by either County or Contractor of any breach of this Agreement shall not be binding upon the waiving Party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach.

17.2 Severability

If any provision of this Agreement is held to be unenforceable, then that provision is to be construed either by modifying it to the minimum extent necessary to make it enforceable or disregarding it. If an unenforceable provision is modified or disregarded in accordance with this Article 17, the rest of the Agreement is to remain in effect as written, and the unenforceable provision is to remain as written in any circumstances other than those in which the provision is held to be unenforceable.

17.3 Attorney Fees

The prevailing party in any dispute arising out this Agreement or Contractor's work described in Exhibit A, Scope of Work, is entitled to reasonable costs and attorneys' fees.

ARTICLE 18 - INTEGRATION AND MODIFICATION

Neither County nor Contractor shall assign, sublet, or transfer any rights under or interest in (including, but without limitation, monies that may become due or monies that are due) this Agreement without the written consent of the other, except to the extent that the effect of this limitation may be restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent Contractor from employing such independent contractors, associates, and subcontractors, as he may deem appropriate to assist him in the performance of the Services hereunder.

Exhibit A
SCOPE OF WORK

The Tenancy Support, Shallow Subsidy (TSSS) program seeks to increase shelter exits to housing and provide services to assist with housing stability to clients who are on the Reno Housing Authority's (RHA) wait list. As such, TSSS clients must meet RHA eligibility criteria, which includes clearance by a background check.

RHA conducts background checks at the time of initial determination of RHA program eligibility, however, since the wait time for placement can be lengthy, Washoe County wishes to conduct a preliminary background check to avoid the enrollment of individuals who may not meet RHA criteria.

As a result, under this Agreement, RHA will conduct preliminary background checks on Washoe County applicants to the TSSS program who are on the RHA waiting list. RHA will subsequently identify any barriers to eligibility and any cases of potential non-eligibility based on RHA's criminal background criteria.

Any and all products and reports produced by Contractor as a result of this Agreement remain the property of RHA.

FEE SCHEDULE

RHA will bill County at a rate of \$35 per preliminary background check completed.

INDEMNIFICATION

CONTRACTOR Liability

As respects acts, errors or omissions in the performance of CONTRACTOR services, CONTRACTOR agrees to indemnify and hold harmless COUNTY, its officers, agents, employees, and volunteers from and against any and all claims, demands, defense costs, or liability to the extent caused by CONTRACTOR'S negligent acts, errors or omissions in the performance of its CONTRACTOR services under the terms of this agreement.

CONTRACTOR further agrees to defend COUNTY and assume all costs, expenses and liabilities of any nature to which COUNTY may be subjected as a result of any claim, demand, action or cause of action arising out of the negligent acts, errors or omissions of CONTRACTOR or its Sub-contractor in the performance of their CONTRACTOR services under the Agreement.

General Liability

As respects all acts or omissions which do not arise directly out of the performance of CONTRACTOR services, including but not limited to those acts or omissions normally covered by general and automobile liability insurance, CONTRACTOR agrees to indemnify, defend (at COUNTY'S option), and hold harmless COUNTY, its officers, agents, employees, and volunteers from and against any and all claims, demands, defense costs, or liability arising out of any acts or omissions of CONTRACTOR (or Sub-contractor, if any) while acting under the terms of this agreement; excepting those which arise out of the negligence of COUNTY.

In determining the nature of the claim against COUNTY, the incident underlying the claim shall determine the nature of the claim, notwithstanding the form of the allegations against COUNTY.

GENERAL REQUIREMENTS

COUNTY requires that CONTRACTOR purchase Industrial Insurance (Workers' Compensation), General and Auto Liability, and Professional Errors and Omissions Liability Insurance as described below against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work here under by CONTRACTOR, its agents, representatives, employees or Sub-contractors. The cost of all such insurance shall be borne by CONTRACTOR.

INDUSTRIAL INSURANCE

It is understood and agreed that there shall be no Industrial Insurance coverage provided for CONTRACTOR or any Sub-contractor by COUNTY. CONTRACTOR agrees, as a precondition to the performance of any work under this Agreement and as a precondition to any obligation of the COUNTY to make any payment under this Agreement to provide COUNTY with a certificate issued by an insurer in accordance with NRS 616B.627 and NRS 617.210.

If CONTRACTOR or Sub-contractor is a sole proprietor, coverage for the sole proprietor must be purchased and evidence of coverage must appear on the Certificate of Insurance. Such requirement may be waived for a sole proprietor who does not use the services of any employees, subcontractors, or independent contractors and completes an Affirmation of Compliance pursuant to NRS 616B627.

Should CONTRACTOR be self-funded for Industrial insurance, CONTRACTOR shall so notify COUNTY in writing prior to the signing of any agreement. COUNTY reserves the right to approve said retentions and may request additional documentation, financial or otherwise for review prior to the signing of any agreement.

MINIMUM LIMITS OF INSURANCE

CONTRACTOR shall maintain coverages and limits no less than:

1. General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be increased to equal twice the required occurrence limit or revised to apply separately to this project or location.
2. Automobile Liability: \$N/A combined single limit per accident for bodily injury and property damage. No aggregate limit may apply.
3. Professional Errors and Omissions Liability: \$1,000,000 per occurrence and \$ 2,000,000 as an annual aggregate. Premium costs incurred to increase CONTRACTOR'S insurance levels to meet minimum contract limits shall be borne by the CONTRACTOR at no cost to the COUNTY.

CONTRACTOR will maintain PROFESSIONAL liability insurance during the term of this Agreement and for a period of three (3) years from the date of substantial completion of the project. In the event that CONTRACTOR goes out of business during the term of this Agreement or the three (3) year period described above, CONTRACTOR shall purchase Extended Reporting Coverage for claims arising out of CONTRACTOR'S negligent acts, errors and omissions committed during the term of the Professional Liability Policy.

DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and approved by the COUNTY Risk Management Division prior to the start of work under this Agreement. COUNTY reserves the right to request additional documentation, financial or otherwise prior to giving its approval of the deductibles and self-insured retention and prior to executing the underlying agreement. Any changes to the deductibles or self-insured retentions made during the term of this Agreement or during the term of any policy must be approved by the COUNTY Risk Manager prior to the change taking effect.

OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability Coverages
 - a. COUNTY, its officers, agents, employees and volunteers are to be covered as additional insureds as respects: liability arising out of activities performed by or on behalf of CONTRACTOR, including the insured's general supervision of CONTRACTOR; products and completed operations of CONTRACTOR; or premises owned, occupied or used by CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to the additional insureds, nor shall the rights of the additional insured be affected by the insured's duties after an accident or loss.
 - b. CONTRACTOR'S insurance coverage shall be primary insurance as respects COUNTY, its officers, agents, employees and volunteers. Any insurance or self-insurance

maintained by COUNTY, its officers, agents, employees or volunteers shall be excess of CONTRACTOR'S insurance and shall not contribute with it in any way.

c. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to COUNTY, its officers, agents, employees or volunteers.

d. CONTRACTOR'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

e. CONTRACTOR'S insurance coverage shall be endorsed to state that coverage shall not be suspended, voided, canceled or non-renewed by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to COUNTY except for nonpayment of premium.

ACCEPTABILITY OF INSURERS

Insurance is to be placed with insurers with a Best's rating of no less than A-: VII. COUNTY with the approval of the Risk Manager may accept coverage with carriers having lower Best's ratings upon review of financial information concerning CONTRACTOR and insurance carrier. COUNTY reserves the right to require that the CONTRACTOR'S insurer be a licensed and admitted insurer in the State of Nevada, or on the Insurance Commissioner's approved but not admitted list.

VERIFICATION OF COVERAGE

CONTRACTOR shall furnish COUNTY with certificates of insurance and with original endorsements affecting coverage required by this exhibit. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be on forms approved by COUNTY. All certificates and endorsements are to be addressed to the specific COUNTY contracting department and be received and approved by COUNTY before work commences. MISCELLANEOUS CONDITIONS

1. CONTRACTOR shall be responsible for and remedy all damage or loss to any property, including property of COUNTY, caused in whole or in part by CONTRACTOR, any Sub-contractor, or anyone employed, directed or supervised by CONTRACTOR.
2. Nothing herein contained shall be construed as limiting in any way the extent to which CONTRACTOR may be held responsible for payment of damages to persons or property resulting from its operations or the operations of any Sub-contractors under it.
3. In addition to any other remedies COUNTY may have if CONTRACTOR fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, COUNTY may, at its sole option:

- a. Order CONTRACTOR to stop work under this Agreement and/or withhold any payments which become due CONTRACTOR here under until CONTRACTOR demonstrates compliance with the requirements hereof;
- b. Terminate the Agreement.
