EXHIBIT C
INSURANCE AND INDEMNIFICATION REQUIREMENTS

Washoe County has established specific requirements for agreements with independent contractors to help assure that reasonable insurance coverage is maintained. Indemnification clauses are intended to assure that contractors accept and are able to pay for the loss or liability related to their activities. All conditions and requirements identified in this Exhibit shall be completed prior to the commencement of any work under this Agreement.

1. INDEMNIFICATION

1.1 Contractor agrees to indemnify any County Indemnitee for Indemnifiable Losses in any Proceeding arising out of this Agreement alleging:

1.1.1 breach or non-fulfillment of any provision of this Agreement by Contractor;

1.1.2 any negligent or more culpable act or omission of Contractor (including any reckless or willful misconduct) in connection with the performance of its obligations under this Agreement;

1.1.3 any bodily injury, death of any person or damage to real or tangible personal property caused by the negligent or more culpable acts or omissions of Contractor (including any reckless or willful misconduct); or

1.1.4 any failure by Contractor to comply with any applicable federal, state or local laws, regulations or codes in the performance of its obligations under this Agreement except to the extent that County negligently or intentionally caused those Indemnifiable Losses.

1.2 In this Agreement, the following definitions apply:

1.2.1 "Contractor" means the Contractor, its employees, agents, subcontractors or any representatives and each of the heirs, executors, successors, and assignees of any of the foregoing.

1.2.2 "County Indemnitee" means the County, its officers, employees, volunteers, and any representatives and each of the heirs, executors, successors, and assignees of any of the foregoing.

Coverage for claims arising out of Contractor's negligent acts, errors and omissions committed during the term of the Liability Policy.

2.5 Failure to Maintain Insurance. In addition to any other remedies County may have if Contractor fails to maintain the required insurance policies or policy endorsements, County may, at its sole option:

2.5.1 Order Contractor to stop work, and/or

2.5.2. Withhold any payments until Contractor demonstrates compliance with the insurance requirements, and/or

2.5.3 Terminate the Agreement.

2.6 County's Insurance. Washoe County, through its Risk Management Division, has established a Self-insurance Program. This Program follows substantially the same format as that of commercial insurance coverage for property losses and third party liability claims.

2.6.1 The County self-funds its property losses up to $50,000 per loss, and has commercial "all risk" coverage above that amount.

2.6.2 All liability actions against the County are handled in accordance with Nevada Revised Statutes, Chapter 41. The County has $5,000,000 of excess liability insurance, with a $1,500,000 self-insured retention.
