AGREEMENT

Cares Campus Vehicle Gate

THIS AGREEMENT (also herein referred to as "Contract"), is made and entered into this 1st day of May 2026, by and between Washoe County, a political subdivision of the State of Nevada, acting through the Washoe County Commissioners hereinafter called "OWNER" and LB Fence Company, a Contractor, Nevada State License No.82525 hereinafter called the "CONTRACTOR".

WITNESSETH:

That the OWNER and the CONTRACTOR, for the consideration hereinafter named, agree as follows:

Article 1. Scope of Work

The Contractor shall furnish all of the materials and perform all of the Work described in Exhibit A, which is incorporated herein by reference as one of the Contract Documents identified in Article 4.

Article 2. Time of Completion

The Work to be performed under this Agreement shall be completed no later than June 30, 2026. Should the Contractor fail or refuse to complete the work within that time, along with any authorized extensions of time, there shall be deducted from monies due it, not as a penalty, but as liquidated damages, the sum of Five Hundred Dollars ($500.00) for each additional calendar day required to complete the work.

Article 3. Progress Payments

On or about the first of each month, the Contractor shall make and certify an estimate of the amount and fair value of the work done, and may apply for partial payment therefore. The Contractor shall revise the estimate as the Owner may direct. Whenever the monthly estimate, after approval, shows that the value of the work completed during the previous month exceeds one percent (1%) of the total contract price, the Owner will process a pay request. The Owner will thereupon cause the amount therein to be paid to the Contractor. Such certification of work performed will authorize payment in an amount equal to the value of the Work completed less any sums that may be retained by the Owner.

Pursuant to NRS 338.515, Owner shall retain 5 percent (5%) of such estimated value of the Work done as part security for the fulfillment of the Contract until fifty percent (50%) of the Work required by the contract has been performed. When fifty percent (50%) of the Work has been completed to the satisfaction of the Owner, one-half (1/2) of the amount retained by Owner will be paid to Contractor. Thereafter, if in the opinion of the Owner, satisfactory progress is being made, Owner shall retain up to two and a half percent (2.5%) from monthly progress payments as part security for the fulfillment of the Contract until the Work required by the contract has been completed. No partial payment shall be made when, in the judgment of the Owner, the Work is not being diligently prosecuted by the Contractor.

The amount of payments withheld as provided herein shall be retained for a period of thirty (30) days from the date of filing of the Notice of Completion.

Owner shall pay to Contractor at the end of each quarter this Agreement is in effect, interest for the quarter on the amount withheld at a rate to be determined by Owner in accordance with NRS 338.515. If the amount due the Contractor pursuant to this provision for any quarter is less than Five Hundred Dollars ($500.00), the Owner may withhold the interest until: (1) the end of a subsequent quarter after which the amount of interest due is Five Hundred Dollars ($500.00) or more; (2) the end of the fourth consecutive quarter for which no interest has been paid to the Contractor; or (3) the final payment is due under the Agreement, whichever occurs first.

Contractor shall pay the Subcontractors progress payments and pay interest on amounts retained from said progress payments in accordance with the provisions of NRS 338.510 through NRS 338.535.

In accordance with NRS 244.320 and NRS 354.626, if, in any subsequent fiscal year, the County determines not to appropriate or budget funds for the purposes specified in this Contract, or the County determines that it is required to amend previous appropriations or budgeted amounts to eliminate or reduce funding the purposes in this Contract, this Contract will be terminated without penalty, charge, or sanction.

Article 4. Acceptance and Final Payment

As soon as practical following the completion of the Work, the Contractor shall make request by letter to the Owner for a final inspection and acceptance of the Work, and if, in Owner's opinion, all provisions of the Specifications and Agreement have been satisfied, Owner will cause a Notice of Completion to be filed with the County Recorder.

At the expiration of thirty (30) calendar days following the filing of the Notice of Completion, final payment shall be made as follows: After deducting all previous payments from the total value of the work, the remaining balance shall be paid, providing that no claims, liens or outstanding debts have been filed against the work, and the contract is not subject to arbitration or litigation between parties. Notwithstanding the expiration of thirty (30) calendar days, the Contractor, upon demand by the Owner, shall submit evidence satisfactory to the Owner that all payrolls, materials, bills, and other indebtedness relating to the work performed, have been paid before final payment is made.

Article 5. The Contract Sum

The Owner shall pay the Contractor, as full compensation for furnishing all materials and labor and doing all the Work in strict accordance with the Specifications and to the satisfaction of the Owner, the amount of **$39,756.91**. This sum is to be paid in the manner and under the conditions hereinbefore specified.

Article 7. The Contract Documents

The following is an enumeration of the Contract Documents, which are fully incorporated by reference as part of the Contract:

2. Attachment B – Public Works Construction Indemnification and Insurance Specifications
3. Attachment C – Additional Terms and Conditions Related to Compliance with Federal and State Funding Requirements

Article 8. Nondiscrimination: In accordance with NRS 338.125, in connection with the performance of Work under this Contract, the Contractor agrees not to discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, sexual orientation, gender identity or expression, or age. This agreement not to discriminate includes, but is not limited to, decisions with respect to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Any violation of such provision by the Contractor shall constitute a material breach of the Contract. Further, Contractor agrees to insert this nondiscrimination provision in all subcontracts hereunder, except subcontracts for standard commercial supplies or raw materials.

Article 9. Veteran's Preference

Contractor agrees to give preference as provided in NRS 338.130. If this provision is not complied with, the Contract shall be void, and any failure or refusal to comply with this provision shall render the Contract void.

Article 10. Prevailing Wage Rates

In the event that the Contract sum is One Hundred Thousand Dollars or more, Contractor agrees that he shall pay the prevailing wage rates in effect at the time of the bid and comply with NRS 338. The Contractor shall forfeit, as a penalty to the Owner, not less than $20 nor more than $50 for each calendar day or portion thereof that each workman employed:

1) Is paid less than the designated rate for any work done under the contract, by the contractor or any subcontractor under it.
2) Is not reported to the labor commission and the Owner.

In addition, Contractor shall keep accurate records showing the name, occupation and actual per diem wages and benefits paid to each workman employed by it in connection with this project. The records shall be open to inspection by the Owner, its officers and agents and at all reasonable hours.

Article 11. Indemnification/Hold Harmless

Washoe County has established specific indemnification and insurance requirements for agreements/contracts with Contractors to help assure that reasonable insurance coverage is maintained. Indemnification and hold harmless clauses are intended to assure that Contractors accept and are able to pay for the loss liability related to their activities. Attachment 1 is included by reference. All conditions and requirements identified in this Attachment shall be completed prior to the commencement of any work under this Agreement.

If this provision is not complied with, the Contract shall be void, and any failure or refusal to comply with this provision shall render the Contract void.

Article 12. Termination

In addition to other provisions of this Agreement, Owner has the right to terminate the Agreement without cause at any time upon giving Contractor seven (7) days notice in writing. In the event the Agreement is terminated by Owner in accordance with this provision, Owner agrees to pay Contractor for all Work satisfactorily completed and for materials installed prior to the date of termination.

In the event that no funds or insufficient funds are appropriated and budgeted or are otherwise unavailable by any means whatsoever in any fiscal year for payments due under this Contract, Owner will immediately notify Contractor of such occurrence and this Contract shall terminate on the last day of the fiscal year for which appropriations were received, without penalty or expense to County of any kind whatsoever, except the portions of payments herein agreed on for which funds shall have been appropriated and budgeted or are otherwise available.

Article 13. Governing Law-Venue

Nevada law governs this Agreement and all adversarial proceedings arising out of this Agreement or arising out of planning or constructing the Project outlined in Article 1 - Scope of Work. PUBLIC WORKS CONSTRUCTION
INDEMNIFICATION AND INSURANCE SPECIFICATIONS
CARES CAMPUS VEHICLE GATE

INTRODUCTION

COUNTY has established specific indemnification, insurance, and safety requirements for public works construction contracts to help assure that reasonable insurance coverage is purchased, and safe working conditions are maintained. Indemnification and hold harmless clauses are intended to assure that CONTRACTOR accepts and is able to pay for the loss or liability related to its activities.

INDEMNIFICATION AGREEMENT

CONTRACTOR agrees to hold harmless, indemnify, and defend COUNTY, its officers, agents, employees, and volunteers from any loss or liability, financial or otherwise resulting from any claim, demand, suit, action, or cause of action based on bodily injury including death or property damage, including damage to CONTRACTOR'S property or injury to CONTRACTOR'S employee, caused by any action, either direct or passive, the omission, failure to act, or negligence on the part of CONTRACTOR, its employees, agents, representatives, or Subcontractors arising out of the performance of work under this Agreement by CONTRACTOR, or by others under the direction or supervision of CONTRACTOR.

CONTRACTOR must either defend COUNTY or, upon determination that the work performed by CONTRACTOR was negligent in any manner or that CONTRACTOR failed to perform any duty set forth in this Agreement, pay COUNTY'S costs related to the investigation and defense of any claim, demand, action, or cause of action.

If COUNTY'S personnel are involved in defending such actions, CONTRACTOR shall reimburse COUNTY for the time spent by such personnel at the actual cost incurred by COUNTY for such services.

In determining the nature of the claim against COUNTY, the incident underlying the claim shall determine the nature of the claim, notwithstanding the form of the allegations against COUNTY.

GENERAL REQUIREMENTS

CONTRACTOR shall purchase Industrial Insurance, General Liability, Automobile Liability, Property Insurance and Professional Insurance as described below. The cost of such insurance shall be included in the CONTRACTOR'S bid.

INDUSTRIAL INSURANCE

It is understood and agreed that there shall be no Industrial Insurance coverage provided for CONTRACTOR or any Subcontractor by COUNTY. CONTRACTOR agrees, as a precondition to the performance of any work under this Agreement and as a precondition to any obligation of the COUNTY to make any payment under this Agreement to provide COUNTY with a certificate

issued by an insurer in accordance with NRS 616B.627 and with certificates of an insurer showing coverage pursuant to NRS 617.210 for CONTRACTOR and all subcontractors.

If CONTRACTOR or Subcontractor is unlicensed and is a sole proprietor, coverage for the sole proprietor must be purchased and evidence of coverage must appear on the Certificate of Insurance. Such requirement may be waived for a sole proprietor who does not use the services of any employees, subcontractors, or independent contractors and completes an Affirmation of Compliance pursuant to NRS 616B.627(2).

It is further understood and agreed by and between COUNTY and CONTRACTOR that CONTRACTOR shall procure, pay for, and maintain the above mentioned industrial insurance coverage at CONTRACTOR'S sole cost and expense.

Should CONTRACTOR be self-funded for Industrial Insurance, CONTRACTOR shall so notify COUNTY in writing prior to the signing of this Agreement. COUNTY reserves the right to approve said retentions, and may request additional documentation, financial or otherwise, for review prior to the signing of this Agreement.

MINIMUM LIMITS OF INSURANCE

CONTRACTOR shall maintain limits no less than:

1. General Liability: $1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be increased to equal twice the required occurrence limit or revised to apply separately to each project or location.

2. Automobile Liability: $1,000,000 combined single limit per accident for bodily injury and property damage covering "Any Auto". No aggregate limits may apply.

3. Professional Errors and Omissions Liability: $N/A per occurrence and $ N/A as an annual aggregate. Premium costs incurred to increase CONTRACTOR'S insurance levels to meet minimum contract limits shall be borne by the CONTRACTOR at no cost to the COUNTY.

   CONTRACTOR will maintain PROFESSIONAL liability insurance during the term of this Agreement and for a period of three (3) years from the date of substantial completion of the project. In the event that CONTRACTOR goes out of business during the term of this Agreement or the three (3) year period described above, CONTRACTOR shall purchase Extended Reporting Coverage for claims arising out of CONTRACTOR'S negligent acts, errors and omissions committed during the term of the Professional Liability Policy.

DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and approved by the COUNTY Risk Management Division. COUNTY reserves the right to request additional documentation, financial or otherwise, prior to giving its approval of the deductibles and self-insured retention and prior to executing the underlying agreement. Any changes to the deductibles or self-insured retentions

made during the term of this Agreement or during the term of any policy, must be approved by the COUNTY Risk Manager prior to the change taking effect.

OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages

    a. COUNTY, its officers, agents, employees, and volunteers are to be included as insureds as respects damages and defense arising from: activities performed by or on behalf of CONTRACTOR, including the insured's general supervision of CONTRACTOR; products and completed operations of CONTRACTOR; premises owned, occupied, or used by CONTRACTOR; or automobiles owned, leased, hired, or borrowed by the CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to the additional insureds nor shall the rights of the additional insureds be affected by the insured's duties after an accident or loss.

    b. CONTRACTOR'S insurance coverage shall be primary insurance as respects COUNTY, its officers, agents, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, employees, or volunteers shall be excess of CONTRACTOR'S insurance and shall not contribute with it in any way.

    c. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to COUNTY, its officers, agents, employees, or volunteers.

    d. CONTRACTOR'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

2. All Coverages

    Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled, or non-renewed by either CONTRACTOR or by the insurer, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to COUNTY except for nonpayment of premium.

ACCEPTABILITY OF INSURERS

Insurance is to be placed with insurers with a Best's rating of no less than A-: VII. COUNTY, with the approval of the Risk Manager, may accept coverage with carriers having lower Best's ratings upon review of financial information concerning CONTRACTOR and insurance carrier. COUNTY reserves the right to require that CONTRACTOR'S insurer be a licensed and admitted insurer in the State of Nevada, or on the Insurance Commissioner's approved but not admitted list.

VERIFICATION OF COVERAGE

CONTRACTOR shall furnish COUNTY with certificates of insurance and with original endorsements affecting coverage required by this exhibit. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. ***All certificates and endorsements are to be addressed to the specific COUNTY contracting department and be received and approved by COUNTY before work commences.*** COUNTY reserves the right to require complete certified copies of all required insurance policies at any time.

SUBCONTRACTORS

CONTRACTOR shall include all Subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each Subcontractor. All coverages for Subcontractors shall be subject to all of the requirements stated herein.

MISCELLANEOUS CONDITIONS

1. CONTRACTOR shall be responsible for and remedy all damage or loss to any property, including property of COUNTY, caused in whole or in part by CONTRACTOR, any Subcontractor, or anyone employed, directed, or supervised by CONTRACTOR.

2. Nothing herein contained shall be construed as limiting in any way the extent to which CONTRACTOR may be held responsible for payment of damages to persons or property resulting from its operations or the operations of any Subcontractors under it.

3. In addition to any other remedies COUNTY may have if CONTRACTOR fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, COUNTY may, at its sole option:

    a. Order CONTRACTOR to stop work under this Agreement and/or withhold any payments which become due CONTRACTOR here under until CONTRACTOR demonstrates compliance with the requirements hereof; or,

A notice of breach and terminations shall specify the date of termination of the Agreement, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under the Agreement. This Agreement may be terminated by either party upon written notice of breach to the other party on the following grounds:

i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Agreement within the time requirements specified in this Agreement or within any granted extension of those time requirements; or

vi. If it is found by the County that Contractor has failed to disclose any material conflict of interest relative to the performance of this Agreement.

(B) Termination Without Cause. This Agreement may be terminated for any reason by either party by giving the other party written notice of the intent to terminate. The notice must specify the date upon which the termination will be effective, which date may not be less than 15 calendar days from the date of service of the notice. Only services satisfactorily performed up to the date of receipt of notice shall be compensated by County and such compensation shall be pursuant to the terms of this Agreement. If this agreement is unilaterally terminated by the County, Contractor shall use its best efforts to minimize the cost to the County and Contractor will not be paid for any cost that Contractor could have avoided.

(C) Equal Opportunity Employment. During the performance of this contract, the contractor agrees that they will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin.

Under 40 U.S.C. 3702 of the Act, each contractor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(E) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
